### **Announcement of Results Audit**

This notice serves to announce the conduction of a Risk Limiting Audit(RLA) of the results of the December 6<sup>th</sup>, 2022 General Election Runoff under the procedures outlined in O.C.G.A. § 21-2-498. On December 13<sup>th</sup>, the Georgia Secretary of State's Office will hold a ceremony where members from both state parties, members of the press and Secretary of State office staff will roll twenty ten-sided die to generate a seed number to randomly select which batches from each county will be selected for auditing.

Starting at 9:00am on December 14<sup>th</sup> at the Irwin County Board of Elections and Registrations at 507c N Irwin Ave, Ocilla, GA 31774, auditor teams of two will be assigned selected batches to hand count the results of the race chosen by the state, announcing the selection of each ballot for all observers to hear and having to come to a consensus in order for a ballot to be tallied as a vote for that specific selection.

The results from the hand-tallied batches will then be compared to those reported by our county's tabulators to ensure their accuracy and sent to the state to be compiled with the accuracy of other county results with the purpose to prove a greater level of confidence in the accuracy of our election results.

All members of the press, of both county parties and members of the general public are invited to observe this auditing process and help us verify the accuracy of the results we report as part of our service and duty to the people of Irwin County.

Ethan Compton

Irwin County Election Supervisor & Chief Registrar
