Announcement of Election Hand Audit Results

From 9:00am until 11:30am on March 20th, 2024, the Irwin County Board of Elections and Registrations, their staff and volunteers supplied by the Irwin County Republican and Democratic Parties met in order to not only hand-audit selected batches of the Republican Presidential Primary as required by law, but to instead give the people of Irwin County one of the most rigorous post-election audits of elections results in our nation's history.

All 3 contests (Republican Presidential Candidate, Democratic Presidential Candidate, and Irwin County Special Sales Tax for Education) from all 981 ballots were tallied and compared to the machine-generated results, and not a single count was found to be inaccurate. Every vote was hand-tallied and found to be a perfect, true and accurate match to the results provided on Election Night.

This is to be the first in our plans to exceed legal minimum levels of post-election auditing for every county, state and federal level election moving forward, with expectations to provide a complete audit of up to 3 contests for every future election held in Irwin County.

A sincere thank you to both county parties for providing volunteers to help make this audit a success and support the Irwin County Board of Elections and Registrations' efforts to not only comply with all applicable state and federal laws, but to provide excellence for the voters of Irwin County whom we serve.

Ethan Compton
Irwin County Election Supervisor
